"Smoothie" is so naturally gifted and has shown such great retention in his training; this has made him an easy and exciting horse to train and Stallion to work with. We are excited for his future as a competing horse and have great expectations for his offspring!

In 2018 Smoothie had his first limited number of foals and is standing open to the public as of 2019. We will be paying SMC into some great incentives as foals come of age and will be continuously promoting him as a Stallion.
